PROTECTING YOUR JOURNEY

VENRAIN

COMPANY INTRODUCTION

VENRAIN is a premier automotive brand dedicated to the R&D, design, and precision engineering of high-performance Wiper Blade systems.

Built upon a RMB 80 million capital investment established in 1999, VENRAIN commands a 92,796 m² smart manufacturing base equipped with 20 automated assembly lines and over 1,000 skilled specialists—delivering an annual output surpassing 100 million units.

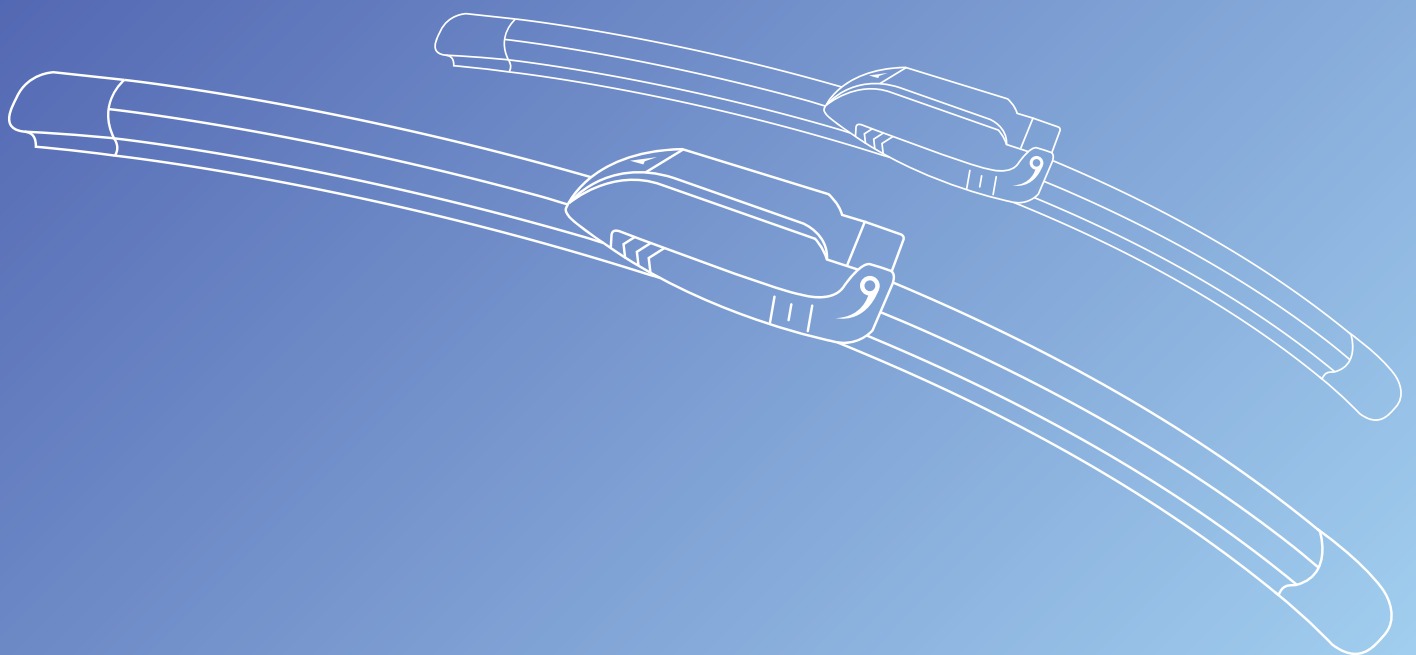

Our operations and products are fully certified under ISO 9001:2015, IATF 16949, CE, RoHS, and EMC, ensuring uncompromising quality control, international compliance, and global competitiveness.

Today, VENRAIN powers an extensive global distribution network spanning Europe, the Americas, Asia-Pacific, Africa, and beyond—continuously innovating to drive clear vision for driver safety worldwide.
